

# North Florida Archers Shooter of the Year Rules

We have a new item for this year's 3D shooting season – "Shooter Of The Year". Shooter of the year will be one person from 4 different classes, with the highest accumulated score for all shoots during the year. The more shoots you attend, the better your chance of winning "Shooter Of The Year"

Anyone attending our 3D events is eligible to compete for the "Shooter Of The Year" award. All scores will count including recreational and payout. Novelty shoot scores (Iron Man, Coon shoot, Long Shot, etc) do not count.

All submitted scorecards must be:

**Clearly Printed** with **First** name, **Last** name, **Date**, **Scorekeeper** and **Shooters** signatures. If we cannot read your name, we cannot record your score.
